## ICT Apprenticeships

Peak Support Services is an exciting and innovative company based in Matlock Derbyshire.

We are a Microsoft Gold Certified partner and have also achieved Investors in People Gold award. We are currently seeking two individuals to become ICT Microsoft Apprentices under the Microsoft Partner Apprenticeship Scheme.

This Apprenticeship scheme is primarily open to individuals who are currently not in full time employment. No formal qualifications are required but the selected individuals must have an interest in IT and be motivated to learning IT technologies.

As an IT Apprentice you will be assisting with installation work and supporting our growing customer base. A current driving license and car would be useful but not essential.

The selected individuals will participate in The Microsoft Partnership Apprenticeship scheme and will receive a comprehensive training programme including business and technical skills, achieving CompTIA and Microsoft certifications, nationally recognized IT professional qualifications, as part of this Apprenticeship. You will also receive on the job training, working as part of our engineering team.

On successful completion of the apprenticeship, you can expect an industry competitive salary, varying depending on your chosen specialism. Career paths include Support Engineer, Systems Engineer or Business Analysis and even IT Sales.

Please email your CV to [vacancies@peaksupport.co.uk](mailto:vacancies@peaksupport.co.uk) or send to Peak Support Services at our business address.
